

## Volunteer Activities Description

**Name of activity:** Adopt-A-Highway

**Mission Team responsible:** Evangelism

**How much time is required, and how often?** One and a half hours per event. There is a choice to participate in one to four work days per year.

**When (time of day/week/month) is this activity performed?** 9 AM on the third Saturday in April, June, August, and October

**Please describe what this activity entails:** Each volunteer works with a partner on in a specific area along Route 44 between Poughkeepsie and Pleasant Valley. Trash is picked up along the road and deposited in DOT trash bags. The coordinator of this activity contacts the DOT once every 2 years to set up the exact work dates and receive new equipment they may have (helmets, vests, bags) and advertises the work day to get volunteers.

**How much training is needed to perform this activity? When is it provided?** None. Any information and the area assignments are given at 9 AM on the work day.

**Where is this activity performed?** Along Route 44 between Grand Ave. and the hill west of Adams Fairacre Farms

**Who does the volunteer report to?** Bob Deik

**Who can a volunteer contact for more info?**

Name: Bob Deik
