

Volunteer Activities Description

Name of activity: Parish Care team member

Mission Team responsible: Parish Care Mission Team

How much time is required, and how often? Varies

When (time of day/week/month) is this activity performed? Sundays and/or week days

Please describe what this activity entails:

A large variety of emergency assistance as required such as (1) transportation to medical appointments; (2) household help, errands when someone is temporarily homebound; and (3) planning annual Christmas caroling visits with Pastor.

How much training is needed to perform this activity? When is it provided? This ministry is based on following up with people that Pastor and Parish Nurses indicate as having a need. Compassion and common sense are the main requirements.

Where is this activity performed? At the homes of people in need

Who does the volunteer report to? Parish Care Mission Team

Who can a volunteer contact for more info?
