

## Volunteer Activities Description

**Name of activity:** Vacation Bible School (VBS) Music Leader

**Mission Team responsible:** Children's Ministry Mission Team

**How much time is required, and how often?** 1 week during VBS (Monday-Friday from 8:30 to noon) as well as 5-10 hours of preparation time.

**When (time of day/week/month) is this activity performed?** On weekday mornings usually during the last week of July (or first week of August)

**Please describe what this activity entails:** Go through the music and pick out songs for each grade level and group songs to sing for the course of VBS. Decorate the chapel according to the theme of the year. Work with the pianist on the order of songs and theme of the day, etc.

**How much training is needed to perform this activity? When is it provided?** The VBS music leader is new to me this year. Previously, I coordinated this activity with Susan Guse and could consider that experience as my training. Susan could probably help anyone who volunteered for this position. Susan will be working with the pianist this year as she is not going to be doing the piano part.

**Where is this activity performed?** At church

**Who does the volunteer report to?** VBS Director (Rosanna Ferrara in 2009)

**Who can a volunteer contact for more info?**

Name: Jeanne Jones (473-3025); [jeannej3@earthlink.net](mailto:jeannej3@earthlink.net)
