

Volunteer Activities Description

Name of activity: Confirmation Prayer Sponsor

Mission Team responsible: Youth Ministry

How much time is required, and how often? The volunteer is assigned an 8th grade student during the late fall and is committed to praying for them through their confirmation in October of their 9th grade year.

When (time of day/week/month) is this activity performed? At your convenience. Volunteer is asked to commit to praying for the student at least once per week. In addition to prayer, you are asked to consider sending them notes of encouragement that remind them that you are praying for them. Some sponsors choose to attend the confirmation service. While this is not required, it is a wonderful way to show your support.

Please describe what this activity entails: When assigned a student, you are given a photo and an information sheet about them that they have filled out. These items are meant to guide your prayers and offer you a way of getting to know the student.

How much training is needed to perform this activity? When is it provided? None. Simply pray and let the Spirit guide you.

Where is this activity performed? In your home

Who does the volunteer report to? Confirmation Coordinator
