

Volunteer Activities Description

Name of activity: Youth Ministry Mission Team Member – Confirmation Teacher

Mission Team responsible: Youth Ministry

How much time is required, and how often? Sunday mornings, 9:30 to 10:45 AM from September to June. Substitutes are available as needed. Lesson prep time is 30 to 60 minutes per week at your convenience.

When (time of day/week/month) is this activity performed? See above.

Please describe what this activity entails: The curriculum used is “Here We Stand”. While it is lesson based, we try to make it more faith forming than information based. Each week there is a different lesson which is downloaded from the Internet. The downloaded lesson gives you the background information, accompanying Bible story or catechism section, game ideas, music ideas, movie ideas, activity ideas, and discussion questions. The Teacher has one class of 6th, 7th, or 8th graders for small group discussion and activities. There is a large group time with all three classes that is led by the Confirmation coordinator.

How much training is needed to perform this activity? When is it provided? There is a one hour prep meeting at the beginning of the year to go over the lesson schedule and any other necessary information.

Where is this activity performed? Large Group time is in the Fellowship Hall and small groups meet in a classroom.

Who does the volunteer report to? Confirmation Coordinator
