Here are some opportunities to serve at St. John's that are related to the gifts you scored high on when you took the Spiritual Gift Inventory. I encourage you to look through the list, find your areas of giftedness and check anything you are interested in either learning more about or participating in. You may also check things outside your areas of giftedness, it is just divided this way to help see how our unique gifts might fit into the life at St. Johns. God gifts each of us differently, but EVERYONE has gifts that can be used to the glory of God.
